OUR PARK. OUR VOTE.

Tell City Hall: We Need a Public Referendum on Lester's Future

ourparkourvote.org

This is not an official petition for a referendum — it is a petition asking the Mayor and City Council to put Lester Park Golf Course to a public vote.

Co-Chair of the Mayor's Lester Working Group Suggested a Referendum

Architect Tim Meyer wrote that "[The Lester sale] is a 'significant decision that may warrant a resolution by referendum.'" *Duluth News Tribune, December 3, 2025.* **Let's take him up on it.**

Mayor Declared Golf "Must Be a Key Element" of Lester's Future

On April 25, 2025 — *before any **$197,546** land use study began* — Mayor Reinert said golf must be in the future master plan. Why? **We already have 13 courses within 25 miles.**

Housing Downtown, Not Lester

A 2023 city-commissioned study found space for more than **2,400 housing units** on already-disturbed downtown land with existing infrastructure. Why sell a public park first?

East Side Schools Already Overenrolled

What happens when **455 more housing units** are added at Lester?

Living Near a Golf Course Triples Risk of Parkinson's

A 2025 Mayo Clinic study found residents within 1–2 miles of a golf course faced nearly triple the odds of a Parkinson's diagnosis.

Solve and Reimagine Incline Village

Bankruptcy. Default. Fraud. A cancelled $75 million TIF agreement. **Clean up this mess before making another one at Lester.**

"Something evocative of a ski village/resort, such as Vail or Breckenridge"

Florida-based developer Tom Sunnarborg, who's been interested in Lester since 2019, told the *News Tribune* he wants a chalet-style, 120-room hotel. Other golf courses he's developed range from **$185–$419 per round**.

$2+ Million for a New Enger Clubhouse

Proceeds from the sale of Lester are earmarked to build a new clubhouse at Enger Golf Course. Is that what 270 acres of public parkland is worth to this administration?

Tell City Hall: We Need a Public Referendum on Lester's Future

ourparkourvote.org

This is not an official petition for a referendum — it is a petition asking the Mayor and City Council to put Lester Park Golf Course to a public vote.

Duluthians — not developers and politicians — should decide what happens to 270 acres of parkland.
